

Sail forbidden seas

*"Here I opened wide the door;  
— Darkness there,  
and nothing more."  
— Edgar Allan Poe*

*Someday*  
I'll wish  
upon a  
**STAR**  
And wake up  
where the clouds are  
**FAIR**  
behind me  
Where troubles melt  
like lemon  
**DROPS**  
Away above  
the chimney  
**TOPS**  
That's where  
you'll find  
**ME**  
• SOMEWHERE OVER THE RAINBOW •
